## **the rules**

the rules are simple:

select a card from one of our two levels, “dip your toes” or “take the plunge” and respond to the scenario with your thoughts.

most common responses are:

“that’s a red flag”

“that’s a dealbreaker”

“that’s a green flag”

“that’s no big deal”

“that’s me!”

dip your toes = more casual lighthearted scenarios

take the plunge = deeper more introspective scenarios

open up, share what makes you feel this way!  
embrace the dialogue and personal stories.
